What Past Attendees Had to Say!

Luke J. – Kenston High School

I took a lot away from the Sport Management Summer Workshops and I feel more motivated than ever to really learn the ins and outs of the entertainment business in order to give me a jumpstart with my career path and gain valued experience among my peers.

Harry C. – Shaker Heights High School

It was cool to meet all the people with different professions in sports and entertainment management.

Michael N. – Notre Dame Cathedral Latin High School

The Sport Management Summer Workshops at CSU were a great experience. I learned so much from the speakers and the venues we visited. I found out what areas I am interested in and I feel this will help me in college. The information given and the contacts I made during the week, I would have never gotten if I had not attended. I highly recommend it!
