We Welcome You!

Hello and welcome to Cleveland State University! We are excited that you have chosen to live on campus! College is more than classes and studying; living on campus allows you an opportunity to belong to a community, form lasting friendships, and engage in your overall college experience.

Our department is very proud of the facilities we offer; your safety is our number one priority. Fenn Tower and Euclid Commons are monitored 24 hours a day 7 days a week by staff in the main lobbies.

We are also very proud of many of the programs we host throughout the course of the school year such as: the "Welcome" BBQ, Family Day, Lil' Sibs Weekend, and Late Night Breakfast.

All of these events allow you a chance to get to know people in your community. If you are interested in any of these events, you should check out our 2015 programming schedule located inside this newsletter.

In addition to the many exciting things we do, we also have a great staff who is here to help with any questions you may have. Our office is open Monday-Friday 8am-5pm. We encourage you to stop by with any questions you may have and we look forward to meeting you!

What's Next?

Now that you have received your room assignment, you are probably asking yourself, "what do I do next?" It is a good idea to contact your future roommate (s) to discuss who is going to bring what to share in your room. It is also good to share some of your hobbies and interests with your roommate (s) so you can discover things that you might have in common.

We encourage you to talk to your new roommate (s) so you can begin to coordinate your arrival time and also begin mapping out what you plan to do for move-in day. Sit down and create a game plan with your parents, friends or other relatives who might be helping you. Go over your plans a few times between now and move-in day.

Check out our webpage at www.csuohio.edu/services/reslife for some helpful hints on how to get ready for the big day.

If you have questions about your room or your roommate assignment, be sure to call our office at (216) 687-5196 so we can answer your questions.

RENTER'S INSURANCE

Usually, the first time people consider getting some type of insurance, (other than health insurance) is when they are looking into buying a car or a home. While car and home insurance are necessary, renter's insurance is equally as important. Renter's insurance is a type of insurance you take out to protect your personal possessions while you are renting a residence.

Renter's insurance will not only protect your personal items, but can also help in providing temporary housing for you in the interim period if your residence hall becomes damaged. Additionally, **renter's insurance** will also cover liability or any damage you cause to other people or their property. Overall, renter's insurance is a great way to protect yourself and your belongings while living in the residence halls.

Log onto www.renterscoverage.com, select your property, and have a quote promptly displayed or emailed to you! All three residence halls are included.
