**Specific Business Major Course	3	**Specific Business Major Course	3
Semester Total	15	Semester Total	15
Bachelor of Business Administration Awarded			121

**Students who complete the above AA-to-BBA pathway can complete the Monte Ahuja College of Business BBA Degree at Cleveland State University with a specific major of interest for the following majors: Accounting, General Business, Business Economics, Finance, Information Systems & Technology, International Business, Marketing, Management, and Operation & Supply Chain Management.

Additional Information:

Assumptions: College-level readiness in MATH and ENG, no Foreign Language Deficiency (FLD). Note: this is different from the Foreign Language Requirement (FLD) which is a requirement in the College of Liberal Arts and Social Sciences at CSU.

(WAC) Counts as a Writing Across the Curriculum course for university graduation requirements (only if taken at CSU). Students must earn a grade of "C" or better to receive WAC credit.

"C" grades or better must be earned in all Math and English courses.

CSU requires a minimum of 120 total credit hours for graduation. At least 30 credits must be completed in-residence at CSU. At least 24 of the in-residence credits must be completed at the upper division (300/400) level. An overall total of 42 upper division (300/400) level credits are required. Students deficient in total credits or in-residence credits must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

Students who do not complete the Associate of Arts degree are responsible for the completion of the entire General Education Requirements at Cleveland State University.

This information is provided solely for the convenience of the reader, and Cleveland State University expressly disclaims any liability which may otherwise be incurred. This publication is neither a contract nor an offer to make a contract. While every effort has been made to ensure the accuracy of the information, CSU reserves the right to make changes at any time with respect to course offerings, degree requirements, services provided, or any other subject addressed herein.

This map represents one example of how to complete the AA and BA/BS degrees. Students should work closely with counselors/advisors at both institutions to discuss options.
