

**THE CHOOSE OHIO FIRST
ENGAGED SCHOLARSHIP PROGRAM IN BIOSCIENCE AND HEALTHCARE
(Science Entrepreneurship)**

*Scholarships Available in Bioscience and Healthcare: \$4700 per year
Application Deadline April 30, 2015*

Science and medicine have a long tradition of engaged learning. This state-funded scholarship program is designed to attract and retain the best and the brightest students in the field of bioscience and healthcare across Ohio with a progressive engaged learning program in science entrepreneurship. CSU will award scholarships in the amount of up to \$4,700 per academic year (\$2350/semester) to juniors, seniors, post-baccalaureate, and master level students who are interested in a career in science entrepreneurship in Ohio. Choose Ohio First Scholars will engage in independent research, internships, and entrepreneurial experiences with peers at Case Western Reserve, University, Baldwin-Wallace College, Hiram College, and Cuyahoga Community College. Graduates are expected to help advance economic development in Northeast Ohio and the State. For more information about this program or to read the full project description, please visit the Ohio Board of Regent's Choose Ohio First web-site (<http://www.uso.edu/opportunities/partnership/chooseohio1st/index.php>).

Engaged Learning

Scholars will choose from hundreds of engaged learning opportunities throughout Northeast Ohio's growing bioscience and healthcare community, including hands-on experiences at the following partner institutions:

* **Academic**—Cleveland State University, Cuyahoga Community College, Hiram College, Baldwin-Wallace College, and Case Western Reserve University's Schools of Medicine and Biomedical Engineering;

* **Industry**—The Cleveland Clinic, BioEnterprise, and Jumpstart.

Expectations

Choose Ohio First Scholars will be required to engage in three activities during the award period:

- 1) **Research Experience**—an independent research project in the laboratory;
- 2) **Internship/Co-op Experience**—an immersion experience in industry or working laboratory;
- 3) **Entrepreneurial Experience**—mentoring by local science entrepreneurs, bioscience business incubators, or start-up companies.

Eligibility

- * Cleveland State University Student, Enrolled Fall 2015 and Spring 2016
- * Ohio Resident
- * Junior or Senior Undergraduate Student, Master Student or Post Baccalaureate Student
- * College of Science and Health Professions or College of Engineering Major in a health or bioscience related area (Chemistry, Biology, Health Science, Biomedical Engineering, Biomedical Physics, etc.)
- * Grade Point Average of 3.0 or Higher
- * Commitment to Choose Ohio First Program Requirements
- * Students on full scholarships are NOT eligible
