Medical Disability/ Chronic Health Verification Form

The Office of Disability Services (ODS) provides academic services and accommodations for student with diagnosed disabilities. The documentation provided must demonstrate a disability covered under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) of 1990. The ADA defines a disability as a physical or mental impairment that substantially limits one or more major life activities. In addition, in order or a student to be considerate eligible to receive academic accommodations, the documentation must show the functional limitations that impact the individual in the academic setting.

The ODS requires current and comprehensive documentation to determine appropriate services and accommodations. As a guideline, Cleveland State University generally requires documentation prepared within the past three years. The University reserves the right to request updated or more extensive evaluations. The outline below has been developed to assist the student in working with the treating or diagnosing healthcare profession(s) in obtaining specific information necessary to evaluate eligibility for academic accommodations.

- The healthcare profession(s) conducting the assessment and/or making the diagnosis must be qualified to do so. These persons are trained, certified or licensed family physicians, orthopedists, neurologists, endocrinologists, cardiologists, psychologists, psychiatrists or members of a medical specialty.
- All parts of the form must be completed as thoroughly as possible.
- The healthcare provider should attach any reports which provide additional related information. If a comprehensive diagnostic report is available that provides the requested information, copies of that report can be submitted for documentation instead of this form.
- After completing this form, sign it, complete the healthcare Provider Information section, on the last page, and mail or FAX it to us at the address provided above. The information that you provide will NOT become part of the student's educational records, but it will be kept in the student's file at ODS, where it will be held strictly confidential.
