Intensive French
Language and Culture

Rouen, Normandy June 2 - 22, 2013

Paris, June 23 - 28, 2013

Study French language and culture in Rouen, Normandy, the cradle of French impressionism and Paris, the city of lights.

Students will participate in the 3-week French language and culture program organized by l'Université de Rouen's Campus d'été followed by a 5-day stay in Paris. While in Rouen, students will be housed with families, take language classes in the morning, and spend most afternoons exploring the rich historic patrimony, artistic treasures, natural beauty and gastronomic delights of Rouen and the region of Haute Normandie. The French Impressionism Festival, which will take place in and around Rouen in summer 2013, as well as the Grande Armada (Tall Ships Festival) at the port of Rouen, make Rouen an especially exciting site for the 2013 study abroad program.

Excursions in Rouen will include the D-day beaches, Mont Saint-Michel, Claude Monet's house and museum in Giverny, cooking classes, the beach at Etretat, opening ceremony for the Grande Armada, and museum visits, lectures and concerts connected to the Impressionism Festival.

Our exploration of Paris will include a boat tour on the Seine, and visits to famous museums and sites such as the Eiffel Tower, the Louvre, and the Orsay museum.
