Detroit Shoreway Community Development Organization
Reports to: Community Organizer
Application Deadline: March 31, 2018

Detroit Shoreway Community Development Organization (DSCDO) is a non-profit 501(c)3 community development corporation that serves the Detroit Shoreway neighborhood, which stretches from West 45th – West 85th Streets, from Lake Erie to Interstate 90.

Detroit Shoreway is one of Cleveland’s coolest, most diverse neighborhoods along the North Coast. New residents are moving in, businesses are setting up shop, theatres are opening, the EcoVillage is blossoming, block clubs are growing and visitors are arriving. Less than two miles west from Downtown, this neighborhood is quickly becoming the place to live, work and play for all members of our community. However, much of the area continues to struggle with unemployment and access to neighborhood resources.

In partnership with DSCDO’s Community Involvement Staff, the Community Involvement VISTA will work towards DSCDO’s goals through:

- Participating with residents in ongoing dialogue around their vision for their community.
- Support DSCDO staff who are in the process of implementing Southwest Plan projects and objectives (e.g. parks, greenspaces).
- Building 1:1 relationships with resident leaders.
- Working with Community Involvement staff, help generate volunteers to door knock the Southwest area to distribute information to residents.
- Working with Community Involvement staff, research, experiment with and implement new community engagement techniques to increase the number of residents interacting with DSCDO.
- Gain familiarity with job training and placement programs.
- Gain familiarity with asset building programs.
- Utilize metrics to track whether an increasing number of residents participate in programs.
