

Are you are interested in the water environment profession?

Eligible Students can join OWEA/WEF Free for One Year!

OWEA is offering a limited number of one year free student memberships in the Ohio Water Environment Association (OWEA) with dual membership in the Water Environment Federation (WEF).

You can enhance your potential employment opportunity by getting involved early in the most prominent and influential professional organizations: WEF & OWEA

Career opportunities in the water industry are:

- ◆ Engineering
- ◆ Biology
- ◆ Chemistry
- ◆ Planning
- ◆ Business
- ◆ Law
- ◆ IT
- ◆ Marketing and Communications
- ◆ Project Managers
- ◆ Mechanical
- ◆ Construction
- ◆ Public Health

As a member of WEF/OWEA you can:

- ◆ Learn about current advancements in the Water and Wastewater industry.
- ◆ Network with professionals in the industry.
- ◆ Have the opportunity to win scholarships while advancing your education.
- ◆ Have the opportunity to get published.
- ◆ Access to the job bank
- ◆ Receive OWEA's quarterly Buckeye Bulletin
- ◆ Receive WEF's monthly WE&T (expand) magazine.

Eligible Students can join OWEA/WEF Free for One Year!

Designed for the specific needs of students - offering a solid foundation on which to build careers and gain credibility with water quality leaders.

The Ohio Water Environment Association is offering a year long OWEA/WEF membership to students with an interest in the water quality/wastewater field. This is a dual membership with OWEA (as the state member association) and WEF.

Students must be enrolled in a minimum of 6 credit hours in an accredited college or university.

Students may apply for a free year long OWEA/WEF membership at:
<http://www.ohiowea.org/memberships.php>

Student members represent the future professionals in the water quality field.
